Medicare Shortfall at Cost	\$445,966.00	\$3,551,019.00	\$3,996,985.00
Total	\$12,412,339.77	\$16,669,323.99	\$29,081,663.76

Unreimbursed Care reflects the difference between the actual cost of care provided by KCH and any payment or reimbursement received for that care.

2019 Foundation Donors

Every healthy community needs a vibrant economy, desirable housing, and a sound education system. But every strong community must also have convenient access to quality healthcare. Your Foundation for Knox Community Hospital is here, striving every day, to make that need a reality for as many people as possible.

Through successive campaigns, The Foundation has provided state-of-the-art medical equipment to the hospital. These campaigns have improved outcomes for cardiology and obstetric patients, upgraded diagnostic imaging and women's health services. And our most recent capital campaign has played a crucial role in the construction of the Wright Family Medical Pavilion.

We also help individuals in our community with their medical supplies and services when they just can't do it alone. The Foundation may be providing your neighbor with diabetic supplies, such as testing equipment and strips, or your co-worker with needed transportation during their cancer treatment. Every day, the Foundation is reaching out to our community. With your continued support, we can give hope to future generations, right here in Knox County.
